## Door County Public Health Department News Release

### **Second Dose H1N1 Vaccine Clinics Scheduled for Door County Schools**

The Door County Public Health Department has scheduled H1N1 vaccine clinics at Door County schools to provide the second dose of H1N1 vaccine to students aged 9 years old and younger.

Rhonda Kolberg, Door County Health Officer, stated: “Children aged 9 years old and younger need to have 2 doses of the H1N1 vaccine. If a student has not received any H1N1 vaccine at our previous clinics, parents or guardians can obtain a consent form from the child’s school, and we will administer the vaccine to them during these school-based clinics.”

#### **School Clinic Dates for H1N1 Vaccine:**

**Friday, January 15, 2010—Southern Door Schools**

**Monday, January 18, 2010—Sevastopol, Gibraltar, & Zion Schools**

**Tuesday, January 19, 2010—Other Parochial Schools**

**Thursday, January 21, 2010—Sturgeon Bay Schools**

**Thursday, February 4, 2010—Washington Island School**

Influenza (flu) can be a very serious disease with many complications. Symptoms of influenza include fever, muscle aches, sore throat, and a non-productive cough. More serious illness can occur if pneumonia follows.

For more information on the H1N1 virus, check <http://pandemic.wisconsin.gov/> or [www.co.door.wi.gov](http://www.co.door.wi.gov) or call 2-1-1 for questions about H1N1 influenza. Consent forms are also available on the [www.co.door.wi.gov](http://www.co.door.wi.gov) website under Departments, Public Health.

**For Immediate Release**

**January 11, 2010**
